

# Wingrove Mountain Chalet

Our Chalet is located in the beautiful mountains of North Carolina, near the small town of Boone. We offer a wonderful view of the mountains and surrounding valley, as well as the opportunity to enjoy peace and quiet in comfortable surroundings.

The chalet is set up for two; however, with a sofa bed downstairs, we are able to accommodate up to four guests. If your group is larger than four it will be necessary to make special arrangements with us.

We furnish all linens and towels. The kitchen is completely furnished and we provide cable TV and DVD/VCR.
